The Unterlinden lamp features a thin metal stem that allows the user to adjust the head to the perfect position to ensure non-glaring illumination of the workspace. It's also available as a suspension lamp.

- Lamp shade in die-cast aluminium or bronze.
- Stem in black painted metal as a table lamp.
- Suspension lamp is available with a canopy in technopolymer (as shown above) or black.

Available in two different colour temperatures:  
2700K or 3000K.
