Eco sustainability:

Recognizing the importance of sustainability, this system is made with ecological wood particleboard made from recycled wood to respect nature and the final consumer. The eco-panel conforms to CARB Fase 2 low emissions regulations, and are covered with easy to clean, abrasion resistant melamine sheeting. Lighting is energy saving LED. All packaging is 100% recyclable. All items are produced in a biomass heated factory, which is zero emission and does not contribute to the greenhouse effect. All products are designed and built according to strict safety criteria and in compliance with standard for ergonomics, certified by the European standard UNI EN14749. Company certified UNI EN ISO 9001.
