

LOCK

by
Alessandro Busana

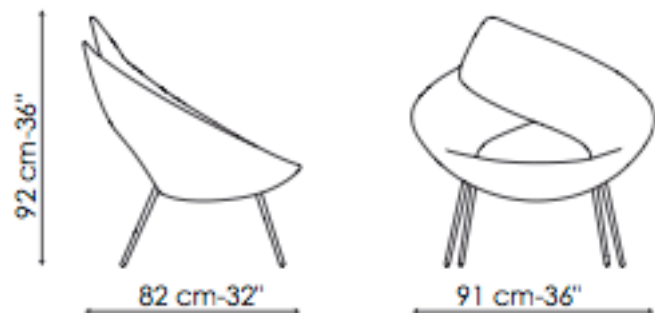

The design of the Lock armchair stems from the aim of creating a seat capable of expressing a sense of protection and comfort with style. An armchair where the person takes centre stage, which envelopes around the user through a padded strip that folds onto itself to form a backrest. The lock is also available in a softer, more padded version called Lock soft, or a quilted version called Lock ego.

Legs or swivel base in painted matte white, anthracite grey, dove grey, black, bordeaux, racing green, coffee brown, chrome, black nickel, matte copper and matte brass.

Upholstered in ecoleather, fabric or leather.

Available in two different combinations of upholstery (except for ecoleather).
